

The Ku-Ring-Gai Art Society

Workshop

Mixed Media

When: Sat 21st August

Tutor: Yvonne Langshaw

Suitable for students from beginners to advanced, the workshop is about exploring your natural creativeness and expanding your artistic experiences with mixed media, ink and paint. Different techniques will be explored for starting a painting, freeing-up and achieving a contemporary approach.

Subjects can be free choice, landscape using reference materials, still life objects and painting from your own sketches and works.

Demonstrations and examples of techniques will be given throughout the workshop. Individual help and tuition will be given.

Experimentation will be encouraged to bring new ideas to your painting practice. Techniques will be discussed for rescuing works and working through problem areas.
